BASEBALL

The Rising Stars Baseball Division of Ponte Vedra Athletic Association is created to give girls and boys 8 –14 from the Jacksonville Florida area who have mild physical limitations or motor planning challenges, an outlet to have fun with this sport, build self confidence and develop teamwork skills.

After 2 instructional practices the kids will be playing baseball in a “sandlot” format; where those that attend that week will be split into the 2 teams. Players will rotate positions by inning, and length of game will be determined by time. Siblings and Friends are also encourage to play. Players/Families can choose to participate in as many weeks that work for them.
