

The Jericho School

For Children with Autism and
Other Developmental Disabilities

The mission of The Jericho School (non profit 501(c) 3 corporation) is to provide comprehensive, individualized science-based education not otherwise available in our community. We believe those children with autism and other developmental delays deserve the opportunity to reach their full potential. The school's curriculum provides effective treatment and education programs to children and their families based on Applied Behavior Analysis and Verbal Behavior.

The Jericho School accepts the John McKay Scholarship School

Teaching Language to Children with Autism and Other Developmental Disabilities

A FREE 2-DAY WORKSHOP FOR PARENTS AND SERVICE PROVIDERS

October 15th and October 16th, 2009

(9:00am to 3:30pm)

About the Workshop: Participants will gain a greater awareness of Behavior Analysis as a Science of Learning. Participants will acquire the understanding and application of the basic principles of Applied Behavior Analysis. A focus will be on utilizing B.F. Skinner's analysis of Verbal Behavior to assist in the acquisition of language skills for children with developmental disabilities. Participants will also receive training on effective teaching procedures and building instructional control.

Participants Will Receive Instruction on:

- Positive Reinforcement
- Extinction
- Differential Reinforcement
- Building Stimulus Control
- Functions of Behavior
- Motivational Operations
- Verbal Behavior
- Transfer Procedures
- Sequence for Teaching
- Errorless Teaching
- Generalization of Skills
- Natural Environment Teaching

About the Presenter: Angelo Martinez is currently the Executive Director for The Jericho School. Angelo graduated from Iowa State University and has been working in the field of Behavior Analysis for over 15 years. For the past 9 years he has specialized in ABA therapy and Verbal Behavior in working with children autism and other developmental disabilities.

Who Should Attend: Any parent, family member, teacher, paraprofessional or other service provider working with children or adolescence with autism or other learning or developmental disabilities.

Workshop Location: The 2-day workshop will be held at the UNF University Center, 12000 Alumni Drive, Jacksonville, Florida, 32224. Parking is free. Lunch will be provided.
